REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the prior art of record, alone or in combination, do not teach a motherboard comprising a switching means for selectively connecting a main voltage plane segment to a separate voltage plane segment, wherein the switching means connects the main voltage plane segment to the separate voltage plane segment in response to a determination that a connection-sensing terminal is externally grounded, and wherein the switching means disconnects the main voltage plane segment from the separate voltage plane segment in response to a determination that the connection-sensing terminal is electrically floating, the motherboard also comprising a device interface circuit which draws electrical power from the separate voltage plane segment.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rehana Perveen whose telephone number is 571-272-3676. The examiner can normally be reached on 8:00am - 4:30pm.
